These plans allow users to participate in the **OLOPO reward ecosystem**, enabling them to access platform features such as reward earning, shopping benefits, and community-based engagement through the OLOPO Customer Club.

OLOPO Shopping Points (OSP)

Customers can also purchase **OLOPO Shopping Points (OSP)** directly within the platform to use for shopping inside the OLOPO ecosystem.

- **1 INR = 1 OSP**
- OSP can be used for **online and offline shopping** within the OLOPO merchant network.
- Customers can use OSP to purchase products, services, and digital vouchers available on the platform.

Gift Voucher Marketplace

The OLOPO platform also provides access to a **large digital voucher marketplace**, allowing users to shop and redeem value across a wide range of popular brands.

Customers can purchase and redeem **gift vouchers from 1000+ brands**, including leading companies such as:

- Amazon
- KFC
- MakeMyTrip
- PVR Cinemas

and many other retail, travel, food, entertainment, and lifestyle brands.

This enables users to **shop with savings while enjoying flexibility across multiple brands and services**, making OLOPO a comprehensive everyday shopping and rewards platform.

Merchant Pricing

For merchants, the OLOPO platform offers **lifetime free access to the OLOPO merchant application**, allowing businesses to join and benefit from marketplace listing, promotional tools, and digital payment integration without recurring subscription charges.

The pricing structure is designed to make the platform **accessible to individuals and beneficial for merchants**, supporting a scalable and inclusive digital commerce ecosystem.
